GAME REVIEWS

CALL OF DUTY: BLACK OPS

THIS GAME IS AMAZING. ITS A WAR GAME THAT HAS DIFFERENT MODES. ZOMBIE MODE IS MY FAVORITE. YOU CAN WORK ONLINE TO GET RID OF ZOMBIES. YOU CAN BUY MAP PACKS THAT COME WITH MAPS FOR ALL VERSIONS. YOU CAN ALSO PLAY ONLINE MULTIPLAYER ! YOU CAN PLAY CAPTURE THE FLAG, TEAM DEATH MATCH, SEARCH AND DESTROY AND SOME OTHERS. BLACK OPS GETS A 10 FROM ME!

Disney Epic Mickey

Weird. That is all I can say about Epic Mickey. It is a game about Mickey Mouse getting sucked into a land of forgotten cartoons that he messed up. In it are such old characters as Clarabelle Cow, Horace Horsecollar, and Oswald the Lucky Rabbit. Enough about story though, let's get to gameplay. At first it seems like your basic platformer (double jump, spin move etc) but eventually you get access to the games main mechanic Paint and Thinner. With them you can fill in or destroy cartoon objects. They generally use this well although sometimes it is a bit convulded. All in all it is a good game with a few minor problems. I give it a 4 out of 5.

Little Big Planet 2
This is definitely a game for creative people. It has a lot of different levels to choose from on story mode. You could also choose from a bunch of different community levels made by people. Even if you get tired playing the same levels, make your own! All you have to do is go to the moon and make anything your heart desires. You get supplies for the moon by collecting materials and objects in the story and community levels. The sack-person you play with could even be customized! :)

----Madison

Fun Facts

- 1.) The award for the longest name for a person belongs to a German immigrant named Adolph Blaine Charles David Earl Fredrick Gerald Hubert Irvin John Kenneth Lloyd Martin Nero Oliver Paul Qunicy Randolph Sherman Thomas Uncas Victor William Xerxes Zues Wolfeschlegelsteinhausenbergerderft Sr.
- 2.) The fear of vegetables Lachanophobia.
- 3.) It snowed in the Sahara desert in 1979.
- 4.) The body is taller in the morning than in the afternoon thanks to the excess fluid between the disc. As the day goes on our bodies undergo the strain of standing and the fluid seeps out.
- 5.) There are 293 ways to make change for a dollar.
- 6.) Peanuts are one of the ingredients of dynamite.
- 7.) Turkeys have heart attacks. When the Air Force was conducting test runs and breaking the sound barrier, fields of turkeys would drop dead.
- 8.) You can't sneeze with your eyes open.
- 9.) Paparazzi means "Buzzing Mosquitoes" in Italian.
- 10.) The first successful head transplant was carried out in 1963 by Robert J. White of Cleveland, Ohio who attached the body of 1 monkey to the body of another. The monkey also survived for several days.
- 11.) If you took all the approximately 60,000 miles of blood vessels out of the body and laid them end-to-end they would stretch around the world twice, and you would probably be arrested.
- 12.) The tongue of a blue whale weighs about as much as a full grown elephant or a 2005 H2 SUV.
- 13.) All scorpions glow. A scorpion's exoskeleton contains a thin transparent film called the hyaline layer, which fluoresces under ultraviolet light.
- 14.) A cockroach's brain spread throughout its body. If you chop off its head, it can still live for up to a week. It finally dies because it can't eat.
- 15.) There are roughly 144,000 mosquitoes for every person on earth.
- 16.) Intelligent people have more zinc and copper in their hair.
- 17.) Your nose can remember 50,000 different scents.
